Academic Year 2020/21 Lessons in presence and in remote

Beginning of Lessons for the Academic Year 2020-2021: **5 October 2020**

From 5 October 2020, lessons will resume in a blended method (in presence and in remote) as to meet with the needs of students and ensure compliance with safety standards.

LESSONS

Lessons will take place in **three methods**:

- PRESENCE

Entrances of professors and students will be on quota and duly monitored; body temperature control including all verification systems will be provided. The sanitization of the classrooms between one lesson and another will also be ensured.

- ONLINE

The courses will be in tele-presence (online) system, through a direct streaming for those who will not be able to attend lessons due to national and international mobility restrictions.

- VIDEO RECORDINGS

For students who, due to the different time zone, will not be able to follow the live lesson, these will be videotaped and duly uploaded on a digital space (further technical information will be provided before the beginning of the academic year).
